## ANDHRA PRADESH TRIBAL WELFARE RESIDENTIAL EDUCATIONAL INSTITUTIONS SOCIETY, AMARAVATI & EKLAVYA MODEL RESIDENTIAL SCHOOLS SOCIETY

### Principal Secretary Sir Message

I am delighted to extend my warm greetings on the occasion of the launch of the Monthly Magazine of APTWREIS (Gurukulam). This magazine is a wonderful platform to highlight the academic activities, creativity, talents, innovations, and inspiring journeys of our students and staff. I am confident that it will foster a culture of learning, creativity, and excellence. May this initiative motivate our students to explore their potential, pursue their aspirations with confidence, and bring greater recognition and pride to Gurukulam. I hope this is the replica of the Gurukulam.

**Sri. D. Muralidhar Reddy, IAS**
Principal Secretary, TW

### From Secretary's desk

It gives me immense pleasure to launch the Monthly Magazine of APTWREIS. This magazine will provide a vibrant platform to showcase the creativity, achievements, talents, and inspiring journeys of our students and staff. It will also highlight the latest initiatives, academic excellence, cultural heritage, and co-curricular accomplishments of our institutions. I hope this magazine encourages knowledge, best practices, creativity, and excellence, while strengthening our collective commitment to empowering tribal students through quality education and holistic development.

**Smt. M Gowthami, IAS**
Secretary, Gurukulam

## Guinness Record set by Tribal Students

A historic moment unfolded at the Alluri Sitarama Raju International Airport, Bhogapuram, when more than 13,000 tribal girl students came together to perform the traditional Dhimsa dance. Students from Tribal Welfare institutions across Paderu, Seethampeta, Parvathipuram and Rampachodavaram participated in the spectacular synchronized performance. Their remarkable presentation was officially recognized by Guinness World Records as the largest Dhimsa dance, bringing immense pride to Andhra Pradesh. The achievement showcased the rich tribal heritage, cultural unity, discipline and talent of our young girls on a global platform

Receiving Guinness Record

## HONOURING THE TALENT

Hon'ble Minister for Tribal Welfare, Smt. Gummidi Sandhya Rani, felicitated meritorious students and presented Excellence Awards in recognition of their outstanding performance in the SSC and Intermediate examinations held in March 2026. The felicitation celebrated the dedication, perseverance and academic excellence of students from APTWREIS institutions. The achievements reflect the commitment of the students, teachers, principals and parents towards educational excellence. During the programme, the Hon'ble Minister congratulated the achievers and encouraged them to aim higher, pursue their aspirations with confidence, and strive for excellence in every field. She emphasized the importance of utilizing the educational opportunities provided through Gurukulam institutions and encouraged students to aspire for prestigious careers and contribute meaningfully to society. The recognition of these young achievers serves as an inspiration to thousands of tribal students and reinforces APTWREIS's commitment to nurturing talent, building confidence and empowering students through quality education.

# INITIATIVES

## Enhancement of Minimum Basic Skills

The Minimum Basics Learning Program (MBLP), is an initiative designed to strengthen foundational learning among students from 3rd to 9th classes. The program focuses on improving essential skills in Telugu, English, and Mathematics through structured activities, practice, and continuous assessment. MBLP helps to identify learning gaps, provides targeted support, and enables students to build confidence and achieve grade-level competencies, thereby creating a strong foundation for future academic success.

## Mission March SSC-2027

Gurukulam is implementing Mission March SSC-2027 to increase the pass percentage in SSC-2027 . For that we are conducting special classes from 4 to 5 pm and conducting slip test daily in the subject and immediately correcting the answer scripts on the same day to asses the progress. The programme implementing in all the 128 schools having 10$^{th}$ class

## Orientiation and training to EMRS Hindi Speaking Staff in Telugu language proficiency

EMRS Society has given orientation to all the staff, who are appointed from other states of Andhra Pradesh working in EMRs schools to develop Telugu language proficiency. Gurukulam Academic Cell has prepared a module and videos to practice the language skills. Gurukulam has given orientation to Master trainees in turn they give orientation to their staff every day evening 1 hour. It helps to bridge the language barrier to interact with parents and students in their mother tongue

# CENTRE OF EXCELLEN

With a view to promoting academic excellence among Scheduled Tribe (ST) students and enhancing their representation in premier educational institutions, the Government of Andhra Pradesh has issued G.O. Ms. No. 69, TW (Edn.) Department, dated: 23.07.2026 and taken a significant initiative to establish a Centre of Excellence (CoE) for providing intensive residential coaching to ST students preparing for NEET and IITJEE examinations.

The Centre of Excellence has been established at the Residential School (RS-B), Marikavalasa, Visakhapatnam, with the objective of enabling talented ST students to secure admission to premier institutions such as IITs, NITs, AIIMS, Government Medical Colleges and other Institutions of National Importance.

The Government has accorded permission for the establishment of one Centre of Excellence at Visakhapatnam with a total intake of 600 Intermediate students, comprising 300 boys and 300 girls, thereby ensuring equal opportunities and representation of both genders.

Through a merit-based selection process, 600 eligible students have been selected for admission to the Centre of Excellence.

The selected students are being shifted to the Centre of Excellence. Necessary arrangements relating to diet, accommodation and other administrative requirements have also been completed to facilitate their smooth transition and commencement of the academic programme.

M/s Physics Wallah, has been engaged as the coaching agency for providing intensive NEET and IIT-JEE coaching at the Centre of Excellence. 18 faculty members have already been deputed to the Centre, and coaching classes have commenced through M/s Physics Wallah.

# CE AT MARIKAVALASA

The Government has sanctioned special funds on a priority basis for providing the requisite infrastructure, furniture, ICT facilities and human resources for the Centre of Excellence. Works are being taken up on a war-footing basis, in coordination with the concerned departments, to ensure that all necessary facilities are made available to the students.

The Government has accorded the highest priority to this flagship initiative, with the vision of providing quality education, intensive competitive-examination coaching and equal opportunities to talented ST students. The Centre of Excellence is envisaged as a transformative platform for enabling ST students to compete successfully for admission to premier national institutions and thereby contribute to their educational and socio-economic advancement.

# INITIATIVES

## Implementing SASA and Net Zero Healthy Campuses

Under the Swarna Andhra–Swachh Andhra initiative, Gurukulam schools are observing Swachha Andhra Day on every third Saturday to promote cleanliness, sanitation, environmental protection and public participation. In alignment with Swachhata Hi Seva (SHS)-2026 and Swachh Sagar, Surakshit Sagar (SSSS)2026, various focused activities are being undertaken to encourage student participation and strengthen sustainable cleanliness practices across Gurukulam educational institutions state wide.

SASA ACTIVITIES CONDUCTED THIS MONTH(SEPTEMBER): Conducted cleanlines drives and awareness programmes in schools. Promoted four-way waste segregation, Reduce–Reuse–Recycle (RRR), prevention of littering, and reduction of plastic waste. Organized Swachhata Samvad, debates, poster-making, art competitions, wall paintings, waste-to-art activities. Engaged students into Eco-Clubs and cleanliness drives

## WASH Programme

UNICEF-supported Sustainable Schools Programme (WASH ) programme is being implementing in all the Gurukulam Schools . As a part of the programme , a State-Level Training of Trainers (ToT) on Water, Sanitation and Hygiene (WASH) held on 09-07-2026 at Vijayawada -25 Master Trainers attended from APTWREIS institutions

## Aadivasi Dinostavam

Adivasi Dinotsavam, widely known as World Tribal Day or the International Day of the World's Indigenous Peoples, is celebrated annually on August 9. Gurukulam and APTWR schools organized grand celebrations to instill a sense of pride in tribal students regarding their indigenous roots, protect tribal heritage, and create awareness about their fundamental rights and contribution to nature conservation.Students enthusiastically dress in traditional tribal attire and showcase their unique cultural heritage. The celebrations feature energetic folk dances native to Andhra Pradesh, such as the Dhimsa dance and Kommu Koya dance, alongside traditional songs and music.

# CELEBRATIONS & VISITS

## EMRS GAMES AND SPORTS EVENTS

Games and Sports competitions for the 28 Eklavya Model Residential Schools (EMRS) in Andhra Pradesh were conducted for a period of three days from 15th to 17th September 2026 at three designated cluster points, namely Araku, Rampachodavaram and GL Puram. The competitions were organized with the objective of providing opportunities to EMRS students to participate in various sports and games, identify sporting talent and promote physical fitness, discipline, teamwork and a spirit of healthy competition among the students.Students from the 28 EMRS institutions participated in the cluster-level events with enthusiasm. The competitions were conducted under the supervision of the concerned officials and staff, ensuring proper coordination and participation of students from the respective institutions. The successful organization of the three-day programme at all three cluster points has provided a platform for students to demonstrate their sporting abilities and encouraged greater participation in sports and physical activities across EMRS institutions.

## An exposure visit to Rashtrapathi Bhavan

Ten meritorious students from Eklavya Model Residential Schools (EMRS) had the distinguished opportunity to visit New Delhi and meet the Hon'ble President of India. The visit provided the students with an inspiring and enriching experience, motivating them to dream big and strive for excellence. During their stay, they visited several remarkable and historically significant places in the national capital, gaining valuable insights into India's rich heritage, culture, democracy, and history. The exposure visit broadened their horizons, enhanced their knowledge, and strengthened their sense of pride in the nation. It was a memorable and motivating experience for all the students.

## Visit of Hon'ble Member , NITI Aayog

Dr R Balasubrahmaniam Hon'ble Member,NITI Aayog visited EMRS,Chintapalli on 11.08.2026 to observe the tribal development initiatives . He reviewed PM-JANMAN ,ITDA interventions and TW Educational Institutions. Our children gave a warm welcome with their performance and stall exhibits

# ACTIVITIES
